

Lost River Ridge Alcohol Policy

If you are having alcohol at your wedding/event, we have a few requirements that must be completed.

Option 1:

- If you are having hard alcohol/liquor, you must have a bartending service with a valid offsite or 3-way liquor license. You may use the bartenders who work for this company. We do need to have a copy of the offsite license and liquor liability insurance BEFORE any company is approved to serve here. Please check with us before putting down a deposit.

Option 2:

- If you are just having beer or wine, you are required to have a temporary one day beer and wine permit from the ATC (form and directions attached). You will fill this out, take it to the Orange County Sheriff office to obtain his signature, and then mail it to District 5 (Vincennes, IN) with a \$50 business check or money order. We can handle this for a \$25.00 surcharge.
- If you decide to go with option 2, you are also REQUIRED to get one day event insurance that includes: host liquor liability and up to \$500,000 in damages. You can obtain this through your homeowners or renters insurance or an online policy such as Markel, Wedsafe or Wedsure.
- If you decide to go with option 2, you are REQUIRED to use a bartender scheduled through Lost River Ridge. You CANNOT pick your own bartender! You will tell us how many bartenders you need and we will set them up for you. We require 1 bartender for every 125 guests at \$35.00/hour with a three-hour minimum and the ability for the bartender(s) to collect tips.
- If you decide to go with option 2, you will purchase your beer and wine through Claire Voyant Events and Design.
- Champagne and malt based seltzers are allowed on this one day permit. Truly, White Claw, Mikes Hard, Twisted Tea, etc. You cannot have liquor based seltzers such as High Noon, Bacardi Seltzers etc.

Please reach out if you have any questions about our alcohol policies.
